\_\_\_\_\_

There is no fee for selling at the Foothills Heritage Market. We ask that you provide your own table, chair, and marketing décor.

Please note that except for the Mother's Day Spring Artist Market we request that ALL items sold at the market be grown or produced within 50 miles of Oconee County. If it is an agriculture product, we reserve the right to visit your farm. If it is handmade, we request that it be made of all natural materials with limited plastics, etc. Metals, wood, stone, feathers, dried natural grasses, bindings, berries, etc are welcome and appreciated. Painted surfaces are also welcome.

For the Spring Artist Market, we welcome re-purposed items, painted glass, pretty much anything that's a creation of your own mind...however, we still do not accept re-sellers of corporate oils, bags, purses or jewelry. Please send completed application to [farmoconee@gmail.com](mailto:farmoconee@gmail.com).
